# TO OUR SINGING NUN

For four years she has put up with us, defended us, cried with us, laughed with us, and sung with us. Therefore it seems only fitting that we the Class of 1976 dedicate the KEY to our own singing nun.

Her voice can be heard singing out "sweetheart", "babydoll," or "love" to anyone that passes by. Her happiness and boundless energy has been a constant source of strength to our class.

She has grown hoarse pleading with the Glee Club to "sing louder". Her face glowed with perspiration as she directed the play. Yet she never tires of singing and teaching her songs to others.

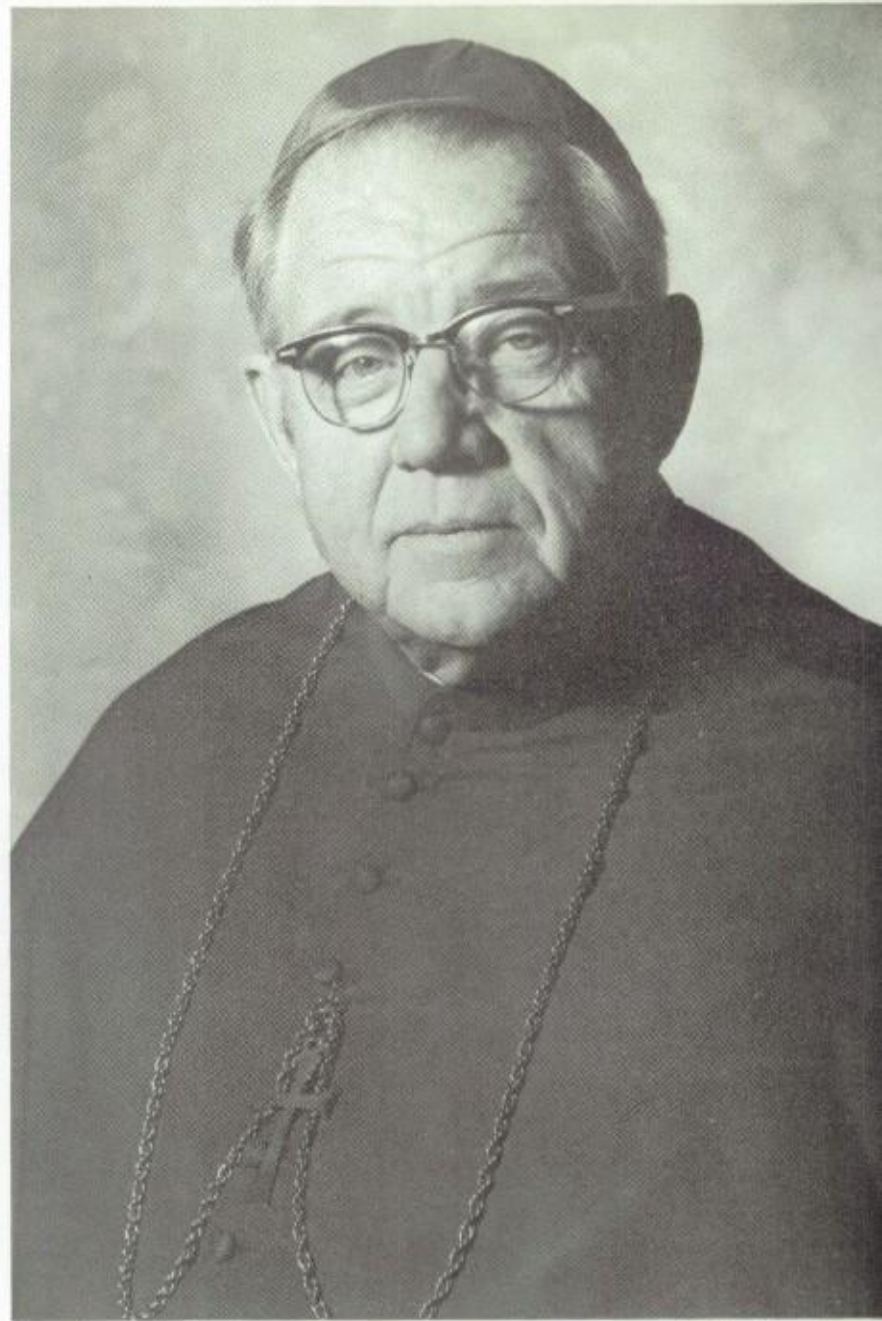

It is with pleasure and a deep sense of gratitude that we the members of the Senior Class present this KEY to you, Sister Irma. It's pages are filled with the laughter, smiles, songs, and tears of love you have given us.

Phil,  
It was great  
having you in & then  
maybe next year you'll  
be in my penchill class. Keep  
practicing your soccer and  
maybe I'll see you at comp. I'd  
not see you on the field (at the cosmos  
don't hold me up). Have a smashing  
summer & Good Luck next year.

phil,  
we had a good  
time in english this  
year - take good care  
of yourself this summer,  
(no running into poles  
trying to avoid people  
on rainy days) -

i wish you the  
best of luck with  
Toni, she's a sweet  
girl and you deserve  
the best -

see you next  
year!

love -

ingrid

Phil (Son)

It really has been fun getting to know you this year. I hope we are just as good friends next year. Son, take my advice and tell me what happens

Please don't have any more accidents. Have a good summer, and come see me sometime.

Love Always,  
Heigh (Mom)

Phil,

you are a good locker mate  
and not even very sloppy.

I'll see you next year if  
you don't bill any more cases.

Have a good summer.

your friend,  
Jimmy D.

Phil,  
We sure had time riding  
a good time in High Point and  
between Winston Mark's Broadbox.  
I have to admit you  
made it a lot less comfortable!  
see you over the summer

Bobby

Dear "Toothless",  
I still haven't  
decided to forgive you  
and Turner for sucking  
me into that Eucharistic  
congress. However I feel  
better since you have to  
take some exams and I  
don't!!!). I can't think of  
too much to say because  
my sister already wrote  
most of it. Oh well see  
you next year. Have a  
good summer and watch  
out for telephone poles &  
elevators that stop suddenly!

Phil,

History sure was boring,  
but it would have been a  
lot worse if you weren't in  
my class. I should know-  
you didn't come half of  
the time. But really- I'm  
glad I met you and I hope  
to see you next year. If I  
become a History teacher  
I'll come back and teach  
you all of the things  
you missed.

Love,  
Ellen

Phil,

Was it a great year or was it  
a great year? No bad you didn't  
go here last year because this  
year wouldn't have been so  
short. Remember all the things  
we did like bombing (get it!!!)  
and pumpkins. How about  
all the cones we have. It has  
to continue through the summer.  
Call up sometime and we'll go  
out, that is if one of us has  
a car. We have to have bet-  
ter times next year. Take  
it easy during the summer.

Best friend  
Ellen

P.S. my phone # is 883-6706  
in case you have forgotten.

Phil,

Looks like your going  
to make it through  
this year, more or  
less. I knew from  
the day I saw you  
in person you were  
bound to be - red -  
Remember this → "Δ".

I'm glad I got to  
be your friend   
you should be honored  
your book is the first book  
I put this in
